## 8 Changing your insurer

As part of our commitment when we provide our insurance services to you, we keep the insurance products we offer under review so that we can continue to deliver value for money and ensure the best quality. This may from time to time involve changing an insurer and the terms and conditions of your cover. You authorise us to do this.

If we decide to change the insurer or the terms of cover, we'll give you plenty of advance notice with full details of the new insurer and any changes to the terms of your cover. It will not affect your statutory rights. You authorise us to pass your personal data to a new insurer for this purpose and we will make sure they agree to keep your data secure. We will give you details of how to contact us if, after reviewing the relevant details, you would prefer not to receive cover from the new insurer.
